## Construction Factoring

---

**Don't Miss Out on the Big Jobs because of Inconsistent Cash Flow!**

### We Do Progressive Billing

Are there large gaps between projects and you cannot cover recurring expenses?

- Purchasing Materials
- Meeting Payroll
- Negotiating Contracts with Suppliers
- Accelerating company growth without borrowing money

**Whether you need Accounts Receivable Services or Factoring Loans to help meet your businesses needs, FinishLine Capital can help.**

Do you have Inadequate reserve working capital?

- Financially Constrained and unable to stimulate growth
- Low Investment Funds for future jobs and contracts

Have Banks turned you down in the past?

- You have not met the financial requirements for a substantial loan
- Have nowhere else to turn for working capital
- 

### Construction Factoring Process

1. Submit your invoice or progressive bill and FinishLine will verify the invoice.
2. You are wired the payment for the first invoice, usually Ranging from 70 - 80 % of the invoice
3. Once your client pays, reserves are released
